TO: Board of Supervisors

FROM: Public Works
Jeff Werst, Design Division Manager
Genaro Diaz, Project Manager

VIA: Dave Flynn, Deputy Director of Public Works

DATE: 8/11/2015

SUBJECT: Submittal of bid opening report for River Road Widening Project in San Miguel, to award the subject contract to CalPortland Construction, the lowest responsible bidder, in the amount of \$639,518.75. District 1.

RECOMMENDATION

In accordance with applicable State Law, it is recommended that the Board:

1. Award the subject contract (no. 300489) to CalPortland Construction, the lowest responsible bidder, at \$639,518.75; and
2. Authorize the Public Works Director or his designee to approve change orders with a contingency budget of \$63,950 plus an additional amount of \$32,000 for traffic control and supplemental work, for a final total construction budget of \$735,468.75.

DISCUSSION

In accordance with direction from your Board, bids for the subject contract were opened on Thursday, July 16, 2015.

Five bids were received. They are as follows:

CalPortland Construction	\$639,518.75
Whitaker Construction Group, Inc.	719,781.25
Souza Construction, Inc.	722,000.00
Raminha Construction, Inc.	755,756.00
R. Burke Corporation	918,787.45
Engineer's Estimate	\$605,325.25

The low bid came in 5% above the Engineer's Estimate. We have reviewed the submittal from CalPortland Construction and verified that they are the lowest responsive, responsible bidder.

Project Background Information

The River Road Widening Project is a safety project with the purpose of reducing the number of run off road collisions on a half mile segment fronting the San Lawrence Terrace tract in San Miguel. The collision rate on River Road between Magdalena Drive and Mission Lane was determined to be over three (3) times the County average for similar roadway type and volume. In 2012, the County applied for Federal Highway Safety Improvement Program (HSIP) funds and successfully received a grant for \$900,000 toward the project.

This project will widen River Road from Magdalena Drive to Mission Lane in order to accommodate four-foot (4') paved shoulders. The project's objective is to improve road safety by providing a recoverable shoulder. This shoulder will also serve as a bike lane for this portion of River Road.

OTHER AGENCY INVOLVEMENT/IMPACT

Construction funding is authorized for this project through the Federal HSIP which is administered by Caltrans. Various utility companies have provided appropriate input and/or will perform relocations prior to construction. Southern California Gas Company is currently constructing a major line upgrade along River Road in advance of the project.

The County Environmental Coordinator has reviewed the project and determined that it is exempt from the requirements of the California Environmental Quality Act.

FINANCIAL CONSIDERATIONS

This is a multi-year project budgeted in the Road Fund at \$1,405,000 - WBS 300489. The total project costs are estimated at \$1,239,983. The project will be funded from Federal Highway Safety Improvement Program (HSIP) in the amount of \$900,000 and the Road Fund in the amount of \$339,983. No budget adjustment is necessary.

Please see Exhibit "A" for an estimated cost breakdown of the project.

RESULTS

The immediate result of the recommended action will be the construction of this project, which will improve the road for the safety of the traveling public. This, in turn, will result in a safer, more livable community.
